---------------------------------	----

****** *This includes consolidation of classifications, for example conversion of Herder/Farmer classifications into Agricultural Research Series*

Current Typing Test

Issues

- Java based
- No longer supported/updated by Typing Master
- Cannot adjust font size

Applicant suggested changes

- Do not highlight errors in red
- Remove time or make smaller
- Constant update of WPM is distracting

New Typing Test (In Development)

Adjust Font Size -  +

Remaining Time: 4:39

universities or agencies, are analyzed and addressed. In addition, the University System staff routinely reviews and initiates revisions to classifications or classification series, particularly when it has been determined that some duplication or redundancy exists. Existing classes that have undergone changes in duties, responsibilities, or authority, as a result of gradual operational changes or technological advances, are also studied and analyzed for possible revision or expansion.

Type

All requests to establish new classifications, as initiated by universities or agencies, are analyzed and addressed. In addition, the University System

Issues addressed

- Java based
 - Silverlight based
- No longer supported/updated by Typing Master
 - Written in-house and will be updated according to Silverlight updates
- Cannot adjust font size
 - option added

Applicant suggested changes addressed

- Do not highlight errors in red
 - option removed
- Remove time or make smaller
 - time has been reduced to be less distracting
- Constant update of WPM is distracting
 - option removed to be less distracting
